Re: Commonwealth Public Library; USCN 896030000096198; ID No. 154966

Dear Sir or Madam:

As referenced in the Petition for Reconsideration, or Alternatively, Waiver ("Petition") of the Commonwealth of the Northern Mariana Islands ("Commonwealth"),¹ please find enclosed for filing a revised FCC Form 471 for the Commonwealth Public Library ("Library"), Universal Service Control Number 896030000096198, Applicant ID Number 154966. The revised FCC Form 471 corrects the discount amounts claimed on the original application FCC Form 471 filed by the Library on April 16, 1998. The previous application incorrectly claimed only discounts ranging from 50-80%. In fact, the all of the libraries located in the Commonwealth qualify for 90% discounts under the Federal Communications Commission's ("Commission's") discount matrix.

Please note that due to the time-sensitivity of this matter, the FCC Form 471 signature page enclosed is a telecopy of the original. We will forward the original signature page as soon as it is received from the Commonwealth.

A copy of this letter is being concurrently filed with the Commission under CC Dkt. No. 96-45 in connection with the above-referenced Petition.

¹ Petition for Reconsideration, or Alternatively, Waiver of the Commonwealth of the Northern Mariana Islands in CC Docket 96-45 at n.13, filed Sept. 11, 1998.

Dear Mitch,

After reviewing your telephone bill and talking with Jenny about your current services, I've discovered some errors on your billing we will need to address in the near future. These errors involve underbilling on your three main telephone numbers (your key system lines) and an overbilling on your fax line. In addition, Jenny has requested some changes in line restrictions which we will follow up with next week. Therefore, the line rates below reflect what the library will be paying after the billing changes take place.

Internet Access Lines	13	49.00	637.00
Dynix Line	1	49.00	49.00

Dear Sir or Madam:

As referenced in the Petition for Reconsideration, or Alternatively, Waiver ("Petition") of the Commonwealth of the Northern Mariana Islands ("Commonwealth"),¹ please find enclosed for filing a revised FCC Form 471 for the Public School System ("Schools"), Universal Service Control Number 743470000102993, Applicant ID Number 159989. The revised FCC Form 471 corrects the discount amounts claimed on the original application FCC Form 471 filed by the Schools on April 15, 1998. The previous application incorrectly claimed only discounts ranging from 50-80%. In fact, the all of the schools located in the Commonwealth qualify for 90% discounts under the Federal Communications Commission's ("Commission's") discount matrix.

Please note that due to the time-sensitivity of this matter, the FCC Form 471 signature page enclosed is a telecopy of the original. We will forward the original signature page as soon as it is received from the Commonwealth.

A copy of this letter is being concurrently filed with the Commission under CC Dkt. No. 96-45 in connection with the above-referenced Petition.
